

# Table of Contents

Executive Summary.....	1
Introduction.....	2
Cancer Surveillance in the Greater Bay Area.....	3
Greater Bay Area Population.....	4
Presentation of Data.....	4
Materials and Methods .....	6
Population Estimates .....	7
Definition of Race/Ethnicity.....	8
Technical Terms .....	9
Cautions on Interpretation .....	10
Leading Cancer Sites by Sex and Race/Ethnicity.....	12
Leading Causes of Cancer Mortality by Sex and Race/Ethnicity.....	13
Table 1-A. The Five Most Common Cancer Sites in the Greater Bay Area .....	14
Table 1-B. The Five Most Common Cancer Sites in California .....	15
Table 2-A. The Five Most Common Causes of Cancer Mortality in the Greater Bay Area .....	16
Table 2-B. The Five Most Common Causes of Cancer Mortality in California .....	17
<b>Cancer Incidence and Mortality Rates</b>	
All Cancer Sites Combined .....	19
Bladder Cancer ( <i>in situ</i> and invasive).....	31
Brain and Nervous System Cancer .....	43
Breast Cancer (female invasive).....	55

*Cancer incidence and mortality rates, continued*

Breast Cancer (female <i>in situ</i> ).....	67
Cervix Uteri Cancer.....	73
Colorectal Cancer (invasive).....	85
Colorectal Cancer ( <i>in situ</i> ) .....	97
Corpus Uteri Cancer.....	103
Esophageal Cancer .....	115
Hodgkin Lymphoma.....	127
Kaposi's Sarcoma .....	138
Kidney and Renal Pelvis Cancer.....	144
Laryngeal Cancer .....	156
Leukemia (All Types Combined).....	168
Leukemia (Acute Lymphocytic) .....	180
Leukemia (Chronic Lymphocytic) .....	192
Leukemia (Acute Myeloid).....	204
Leukemia (Chronic Myeloid).....	216
Liver Cancer .....	228
Lung and Bronchus Cancer.....	240
Melanoma of the Skin (invasive) .....	252
Melanoma of the Skin ( <i>in situ</i> ) .....	264
Multiple Myeloma .....	270
Non-Hodgkin Lymphoma.....	282

*Cancer incidence and mortality rates, continued*

Oral Cavity and Pharyngeal Cancer .....	294
Ovarian Cancer .....	306
Pancreatic Cancer .....	318
Prostate Cancer .....	330
Stomach Cancer .....	342
Testicular Cancer .....	354
Thyroid Cancer .....	366

**Appendices**

Appendix 1	Site Recodes for ICD-0-3 Incidence Data .....	381
Appendix 2	Site Recodes for ICD-9 & ICD-10 Mortality Data.....	382
Appendix 3	Five-Year Population Totals by Sex, County, and Race/Ethnicity.....	383
Appendix 4	Formulae for Rates and Confidence Intervals .....	384
Appendix 5	2000 US Standard Million Population.....	385
Appendix 6	Vietnamese and Hmong Surnames .....	386
Appendix 7	References.....	387
Appendix 8	Directory of California Cancer Regional Registries.....	388
Appendix 9	Publications from the Greater Bay Area Cancer Registry (1995-2006) .....	389

## **Acknowledgments**

We extend special thanks to Cammie d'Entremont and Rita Leung for technical assistance. We also gratefully acknowledge the hospital tumor registrars and others responsible for cancer data collection for their dedication and hard work.
